

Plant your own White Oak

Do you want to make a long lasting statement of your love for Wilderness Trail Bourbon and the trees that yield the Bourbon barrels?

Purchase a 2-year-old white oak seedling to be planted at Wilderness Trail. We'll note which tree is yours with your name on a plaque. Visit your tree as you come see us over the years. One day, maybe your grandchildren will enjoy a barrel of Bourbon aged in the tree planted in your name.

We expect the trees to arrive for spring planting and will let you know when the planting ceremony is scheduled.
