Some like it hot and some like it mild, but regardless of your preference with chili, Wilderness Trail Distillery hopes you will support our fifth Charity Chili Cook-Off on Saturday, Sept. 24. The event continues to benefit the Danville Kiwanis Club youth and senior citizen programs.

The Kiwanis use the proceeds year round for projects, such as gifts of new clothing, coats, shoes and small toys for children for the holidays. They also support our local senior citizen programs and buy small gifts for them for the holidays. The children and elderly that the Kiwanis support are not served by any other group. With your help we can spread some needed joy this holiday season and throughout the year by supporting this endeavor.

In addition to offering a variety of chili to taste, our Charity Chili Cook-Off — 11:30 am. to 3 p.m. — features music, refreshing drinks and children's activities for a family-friendly event.

All teams vying for the top taste award may enter Wilderness Trail Distillery's Charity Chili Cook-Off for a small donation of \$25 direct to Wilderness Trail Distillery. Tickets are \$10 to attend the event and will be offered in advance. Each ticket holder gets tastings of the best chili the area has to offer and the hard task of voting for their favorites for top bragging rights.

We appreciate your consideration and look forward to hearing from you. Thank you very much.
